

Annual Scientific Meeting 2026

26–28 August 2026 • Melbourne Cricket Ground (MCG)

Join us at the iconic MCG for three+ days of a vibrant, multidisciplinary program featuring cutting-edge research, practical clinical insights, interactive sessions, and crowd-favourite debates. Connect with colleagues from across the Australia–New Zealand TCT community and be part of the conversations shaping the future of practice.

ANZTCT is the Australasian and New Zealand Transplant & Cellular Therapies Society, representing healthcare professionals involved in stem cell transplant and cellular therapy across Australia and New Zealand.

www.anztct.org.au

Register to attend

Meet and learn alongside fellow TCT physicians, trainees, nurses, coordinators, data managers, quality managers, scientists, pharmacists, dietitians, therapists, psychologists, and more.

**Early bird rates are available –
secure your place today!**

Call for abstracts

Showcase your work and connect with the TCT community.

We welcome oral and poster submissions from all disciplines and career stages. With fewer than 1,000 attendees, presenting at ANZTCT ASM does not preclude international presentations (e.g. ASH).

Deadline: 22 May 2026
